

UNIVERSITY OF DAR ES SALAAM

MKWAWA UNIVERSITY COLLEGE OF EDUCATION

FACULTY OF SCIENCE

Postponement of the 1st International Conference on Science and Technology

After careful consideration, the Faculty of Science in collaboration with the Mkwawa University College Education Management has decided to postpone the 1st International Conference on Science and Technology, that was scheduled for 4-5th June, 2020 Iringa, Tanzania.

We have taken this difficult decision based on the advice and directives of the government in response to the current worldwide situation caused by the Coronavirus Disease (COVID-19). Because this international conference would involve people travelling from different parts of the country and other countries across the world, we do not want to take any risks about the virus spreading further.

Regrettably, we would therefore like to **announce the postponement of the conference until further notice**. The organizing committee will inform you the resume of the conference when the situation gets back to normal.

Thank you,

Organizing Committee
